**MORNING**

Start your day at a place of solemn beauty, the Veterans Memorial Garden. Located in Lincoln’s historic Antelope Park, the garden allows peaceful reflection with 21 memorials and serves as a permanent reminder of the sacrifices veterans have made to preserve our freedom.

Head on over to the University of Nebraska to the Pershing Military & Naval Science Building for a tour of General John J. Pershing exhibit. Pershing was a professor at the University and founded the renowned Pershing Rifles. He also received the Pulitzer Prize for his memoir.

The Wyuka Cemetery was established in 1869 and is still at its original location. The Cemetery was made with an abundant of trees, shrubs, and flowers, showcasing the past of Lincoln. Including monuments from the Civil War, First World War, Holocaust, Desert Storm, memorials for the Firefighters of 9/11, and many, many more.

**LUNCH**

Enjoy lunch at Misty’s in Historic Havelock. This is a classic restaurant to Lincoln where they only serve Certified Premium USDA Choice Beef and have their own line of seasonings. Misty’s is great for groups and can accommodate private dining options.

**AFTERNOON**

Spend the rest of your day at the Strategic Air Command and Aerospace Museum, in Ashland. The Museum holds the largest collection of Cold War aircraft. There are numerous aircraft that has been restored over time right in the Museum.
